GUIDE TO LEATHER CARE

PREPARING YOUR SHOE

Before following any of the following guides, remove laces if any and put in the shoe trees. Prepare the shoe by cleaning surface dirt with a clean cloth or brush.

REMOVE LACES

PLACE SHOE TREES

CLEAN SURFACE DIRT

SMOOTH LEATHER

A GLOSS BRUSH CLASSIC

B SILKY LOTION CLASSIC

C DAUBER BRUSH PRESTIGE

D LEATHER CREAM CLASSIC

CLEANING

Squeeze a little Silky Lotion Classic on the polishing cloth and rub it gently all over the shoe. Repeat if necessary on parts not done. Leave it to dry for 2 minutes.

NOURISHING & REJUVENATING

Apply the Leather Cream Classic on the shoe using the Dauber Brush Classic or the Polishing Cloth Classic. Repeat if necessary on parts not done. Leave it to dry for 2 minutes.

POLISHING

Buff the shoe with the Gloss Brush Classic. Do not press down on the leather surface instead, let your brush or cloth sit gently on it. Emphasis is on speed and not strength.

SUEDE LEATHER

A PROTECTOR PRESTIGE

B EVER CLEANSER CLASSIC

C SUEDE & NUBUCK REVITALIZER

D SUEDE BRUSH CLASSIC

CLEANING

Brush the shoe thoroughly from back to front in firm strokes using the rubber bristles (Do not use the nylon steel side except for very stubborn stains!)

Alternative product: Refer to Nubuck Eraser Prestige.

CLEANING

If stains persist, use the Ever Cleanser Classic that comes with a brush head and leather shampoo. Hold the bottle horizontally and press against the leather to allow the shampoo to flow. Rub on the stains and the stains should lighten visibly. Repeat when necessary.

NOURISHING & REJUVENATING

Tape non-suede leather area to prevent staining. Apply the Suede & Nubuck Revitalizer Classic onto the shoe by using the spongehead in swift strokes to cover the whole shoe. Leave the shoe to dry completely.

PROTECTING

Spray the shoe with Protector Prestige by holding the bottle 20cm away from the shoe and pressing the nozzle with consistent pressure for an even finish. Always use a spray outdoors or in a well ventilated area. Leave the shoe to dry 10-20 minutes. Repeat 3 times for optimal lasting effect.

B EVER CLEANSER CLASSIC

C ULTRA WHITE CLASSIC

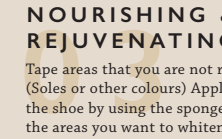

CLEANING

Use the Ever Cleanser Classic that comes with a brush head and leather shampoo. Hold the bottle horizontally and press against the leather to allow the shampoo to flow. Rub on the stains and the stains should lighten visibly. Repeat when necessary.

CLEANING

Wipe the whole shoe clean with the Polishing Mitten Classic and leave the shoe to dry for about 10 minutes.

NOURISHING & REJUVENATING

Tape areas that you are not rewhitening to prevent staining. (Soles or other colours) Apply the Ultra White Classic onto the shoe by using the spongehead attached to the bottle on the areas you want to whiten and leave to dry for 30 minutes.

FINISHING

Spray the shoe with Protector Prestige by holding the bottle 20cm away from the shoe and pressing the nozzle with consistent pressure for an even finish. Always use a spray outdoors or in a well ventilated area. Leave the shoe to dry 10-20 minutes. Repeat 3 times for optimal lasting effect for up to 3 months.

PATENT LEATHER

A POLISHING MITTEN CLASSIC

B SILKY CREAM PRESTIGE

CLEANING

Clean the shoe thoroughly with the Polishing Mitten Classic to get rid of the dust and dirt.

NOURISHING

Apply the Silky Cream Prestige on the shoe using the Polishing Cloth Classic. Repeat if necessary on parts not done. Leave it to dry for 2 minutes, and buff with Polishing Mitten Classic.

LEATHER ACCESSORIES

CLEANING & NOURISHING

Use the Silky Cream Prestige for different types of leather accessories. i.e. wallets, bags & watch straps. Refer to Patent Leather Care Guide and apply the steps accordingly.
